Sub: Designation of Central Tool Room, Ludhiana, as the Central Nodal Agency (CAN) for RAMP Central Sector Scheme - reg

Sir,

With the approval of the Competent Authority, the Central Tool Room, Ludhiana has been designated as the Central Nodal Agency (CNA) for the new World Bank supported Central Sector Scheme "Raising and Accelerating MSME Performance", shortly called RAMP.

2. As you are aware, the revised fund flow guidelines of the Ministry of Finance (copy attached) stipulate that the designated Central Nodal Agency for a Scheme should open dedicated Accounts for the Scheme. The RAMP scheme falls under the Model -II of the revised guidelines, and hence the CNA would have to open a Central Nodal Account for RAMP in a Scheduled Commercial Bank (SCB) which is authorized to conduct Government Business by this Ministry. Further on, all the Implementing Agencies in RAMP Scheme, who will be designated as Sub-Agencies (SAs) will use this CNA's account, and will open their own subsidiary accounts for RAMP in the same Bank. A Holding Account, as specified in the revised guidelines of MoF is also to be opened by the CNA.

3. For a proper understanding of the fund flow under different interventions of the RAMP Scheme, and for the preliminary steps to be taken to operationalize the revised fund flow system, it is proposed to hold a VC, under the Chair of JS(AFI). Officers from the RAMP Division and Budget Division from the Ministry will be participating.

4. It is requested that the Finance team in CTR, Ludhiana may assess the requirement of personnel and equipment required for this task before participating in the VC. The date of the VC meeting and the link will be shared via email.

This issues with the approval of JS(AFI)

Due to implementation of TSA hybrid model, after current years utilisation of Rs. 0.72 Lakhs, the closing balance of grants under CNA model i.e, a net amount of **Rs.2891.72 Lakhs**, was to be reversed back to the Govt. However as per bank records only **Rs.2891.00 lakhs** was reversed back to Government of India on 09.09.2024 due to Limit Expiry i.e a **shortfall of Rs.0.72 Lakhs** hence the balance of **Rs. 0.72 Lakhs is reflected as closing balance under CNA model** although the same could not be verified on the PFMS portal.

^The Balance of Rs.0.40 Lakhs is arrived after transferring the Statutory Deduction of Rs.28.57 Lakhs* to the Holding Account which is eventually paid to Government Treasury in the month of April 2025.

Sub: Request for Budget Re-appropriation under RAMP for Financial Year 2024-25 in the State of Goa.

Sir,

Under the Raising and Accelerating MSME Performance (RAMP) Programme, the budget allocated to the state of Goa for Financial Year 2024-25 was distributed across multiple expenditure heads. However, in the interest of optimizing resource utilization and achieving the intended objectives effectively, the allocated funds have been strategically converged and utilized under a single expenditure head.

A detailed table outlining the budget allocation versus actual expenditure across different heads is attached in **Annexure I**. This reallocation has been done in alignment with the programme's core objectives to ensure maximum impact and to avoid the lapse of unspent funds due to the closure of Financial Year 2024-25.

We look forward to your positive response. Kindly let us know if any further details are required.
